

PARKMONT PLACE

Townhome Owners Association

January 6, 2021

Dear Homeowner(s),

As managing agent of **Parkmont Place Townhome Owners Association, Inc.**, we are writing with regard to the recent increases to the quarterly assessment and special assessments imposed.

As most are aware, the quarterly increase to the assessment rate increased to **\$375.00**. This was due to cost overruns unanticipated in operating expenses. This assessment will remain as needed and required to better fund the overall monthly expenses to the Association.

The two (2) special assessment approved for funding of the master policy insurance for 2020/2021. The one (1) time special assessment of **\$1,000.00** was to off-set the increase to the insurance premium for the 2020 fiscal year. The **\$395.00** quarterly special assessment was to assist funding the 2021 insurance premium.

At this time, the Association has rendered a decision to defer the increase of the regular quarterly assessment as well as the two separate special assessment amounts noted above until further advised.

Understanding the current socio-economic environment we are currently facing, the Association felt it best to assist alleviating these costs at this time. Further, the Association will be holding their Annual Election to install a new Board of Directors. This election is the first for the Association and is the transfer of governance to the membership.

Thus, it only seems prudent/reasonable to allow the newly installed Board of Directors to analyze such data and make the appropriate decision on the memberships' behalf.

The Association will be holding the Annual Election on **Tuesday, January 19, 2021 at 6:00PM**. We will discuss this matter further proceeding the election for further direction/clarification. This meeting will be telephonic and instructions will be provided with the Annual Meeting notice for members use.

If you have any further questions, please do not hesitate to contact our office at the number listed below or at steven@essexhoa.com. We thank you in advance for your time and understanding.

Sincerely,

Essex Association Management LP, Managing Agent
